Assisted Living

Assisted Living is more than providing assistance; it's about empowering the elderly to remain independent and active. Here at Birchwood Suites our residences are all unique, each with different needs. Our highly skilled team is trained to customize a specific care plan for each individual, ensuring all residents are provided with the care they need to keep them safe and comfortable. (Memory Unit available for residents with severe memory impairment) At an affordable ALL-INCLUSIVE RATE:

Assisted Living Rates:
Shared Suite: \$5,500
Private Suite: \$7,500

Memory Unit
Shared Suite: \$6,500
Private Suite: \$9,000

Enhanced Assisted Living

We are an age in place community, as our residence needs change, we are able to adapt and change with them. Our Enhanced license allows us to provide more care than a traditional assisted living. Birchwood can care for someone who is wheelchair bound, needs catheter management, and/or insulin management, assistance with eating, assistance with oxygen, and nebulizer. (Memory Unit available for residents with severe memory impairment) At an affordable ALL-INCLUSIVE RATE:

Enhanced Rates:
Shared Suite: \$5,500
Private Suite: \$7,500
