## Hello Residents, Families and Friends!

As we dive into this new year, we're excited for all the new activities planned to enjoy the weather and holidays. We would like to thank our visitors in cooperating with our changing protocols as we work to keep our residents safe and happy.

As a member of Recreation, it is my honor to bring uplifting and fun activities to all. I have been bringing a huge twist to past activities by bringing current music and fun exercises such as balloon soccer and Paint n Sips to the community. Also, we have great live entertainment coming into the building, and all of our residents are so excited!

As most of you know, we have recently had many changes with our administration team. This may be tough for some of you, but rest assured we are all working as a team to make sure Birchwood will run as smooth as ever. Our team are very dedicated in making sure our residents are being cared for appropriately, keeping our resident's active, and keeping them safe. If you have any problems ever, please don't hesitate to contact us at 631-368-5252. If you need to know who the head of a department is, please look on the right side of this newsletter to find that person!

Keep Safe!
